## Vikings Upset Kalkaska Five, Face Gaylord And Marion

### Control Game And Good Defense Click

The Grayling High Vikings upset a favored Kalkaska five at the Grayling gym Friday night and will face their arch rivals, the Gaylord Blue Devils here in a non-conference fray Tuesday night and will travel to Marion Friday night for a resumption of long warfare.

Grayling started off with a bang Friday night by outscoring Kasky 15 to 8 in the first quarter. Kalkaska outscored Grayling in the second period 13 to 11 to see the half end 26 to 21 in Grayling's favor.

Coach Bruce Smith started Marvin Bleiski at center, Dave Owen and Jim Burch at forwards, and Duane Worden and Allen Lucksted at guards. The five worked so well that they played the entire contest without substitutions.

The third period saw the team complete 40 points while in the final period the Vikings racked up 3 points to Kalkaska's 6 to win the game 45 to 37. Worden and Luck-

sted controlled the game, changing pace to throw Kalkaska off balance. They fed the ball into the front line of Burch, Bleiski and Owen very well. The front line in turn worked very well together setting each other up for many baskets. Bleiski did very well on defense as he held Kalkaska's towering Ryckman to 2 points. Burch led the Grayling scoring with 19 points with Worden adding 11. Owen 7, Lucksted 6 and Bleiski 2. Tom Potes with 20 led Kalkaska.

The Grayling reserves after a tough first half in which they hit on but 20 per cent of their shots while watching the Kalkaska team making 50 per cent, got going in the second half to win 50 to 15. Grayling scored 10, 12, 10 and 18 points in each quarter while holding their opponents to 6, 8, 0 and 3 for the four periods.

During the second half Grayling's defense was nearly perfect as they held Kalkaska to one field goal and one foul shot. Fifteen Grayling boys saw action as Larry Pond hit for 14 points and Dale Pettengill and Roy Kessler adding 11 each. Hamilton and Malonen each added 3 with Millikin, Korhonen and Dannenberg getting a field goal and LaMotte and Keyway a foul shot each. Bernard Hinds with 9 points lead the Kalkaska reserves scoring.

After last Friday night's game, Houghton Lake and Marion continued tied for the lead with 7 wins, one loss record. Kalkaska is second with a 5-3 record with Grayling next with 4 wins and 4 losses. Lake City is fourth with a win and 7 defeats with Roscommon with 8 straight losses.

### Grayling Archers Lead Traveling League

Grayling Archery team number one formed of Matt Edson, Bruce Smith, Frank Scott, Ted Davenport and Holly Piper now head the league with 30 points. Next in line is Gaylord 1, Mio, Manelona 2, Grayling 2 and Manelona 2. The next league shoot is this coming Sunday.

Last Sunday Grayling played host to an invitational shoot at the Grayling High Gym with shooters present from Midland, Mio, Manelona, St. Helen, Gaylord and Grayling. Mio, Manelona and St. Helen did not have enough archers to complete a team so formed one amongst them and walked off with the meet. Midland was second, Grayling third and Gaylord fourth.

Five beautiful plaques were presented to the winning team and five to the second place team. An extra one went to the high man, Ken Edson of Midland who scored 808. Mrs. B. Scorer hit a 301 to take high ladies spot and was also presented with a trophy.

### Grayling Chamber Holds Open Meeting

The Grayling Chamber of Commerce met Wednesday evening February 8 at the Court House. The meeting was open to the public and although the turn out was small, those in attendance were well pleased with what the Chamber is doing and hopes to do.

To acquaint the public with what the Chamber has done, Secretary Kessler read the minutes of all the meetings held since the present directors took over.

Mr. Cason, chairman of the advertising committee gave a report on the new map folders. The Chamber has a new up-to-date map of Crawford County which they plan to use on the new folders. The map folders will have new pictures and be up-to-date in every respect.

The Chamber discussed the value of a booth at the Detroit Sportsmans Congress to be held in March and voted the money necessary for such a booth. The Chamber also decided to print folders listing tourist accommodations to pass out at the Sportsmans Congress. Any member of the Chamber of Commerce having tourist accommodations and wishing them listed on the folder, please give your information to Max Davenport before March 1.

### Conservation Commission Propose Fish Trial

As the Michigan Conservation Commission proposed a trial of experimental regulations on more Northern Michigan streams for trout, Fred A. Westernman, fish division chief called on sportsmen's groups and anglers to comment on the proposal.

The experimental regulations in effect on the North Branch of the AuSable River near Lovells for the past several seasons with a 10-inch minimum limit for trout and artificial flies only, has proven quite successful in stepping up natural reproduction of trout in the stream it is proposed that experimental regulations be extended this season to a stretch of the Pine River below the Ne-Be-Shone club and also to a stretch of the South Branch of the AuSable River, northeast of Roscommon, possibly from Stecker's bridge down to the mouth, or to Smith bridge.

Sportsmen should register their reactions to the proposals through communicating with the fish division of the conservation department at Lansing, before next meeting of the commission, March 11-12.

### BIRTHDAY CELEBRATED

Charles Craven was eighty years young last week and on Tuesday after the regular meeting of the County Welfare committee, his birthday was celebrated at the Welfare office. Members of the bureau of Social Aid were invited and all enjoyed coffee and birthday cake which Mrs. Matt Bidvia had made for the occasion.

Mr. Craven was one of the original members of the Welfare Board and has served since its beginning on November 1, 1939. Happy birthday "Charley".

## Cancer Drive In April

The local Cancer Crusade of Crawford County will get under way in April.

The Cancer Drive is different than others in this respect that very little is required of the public. If each one in Crawford County would contribute approximately fifteen cents this year for our quota of \$600,000 program of education, research and help for indigent cases would be taken care of, declares Mrs. Emma MacAuley, commander. Surely if one is approached during the drive he could hardly refuse this small amount considering the tremendous strides made recently towards the cure and cure of cancer, she says.

About 5 million people marked for cancer death can be saved if people do not wait too long before visiting their doctors this coming year, Mrs. MacAuley states. Millions more may be saved by discoveries in research, financed by the American Cancer Society.

To reduce cancer deaths there are now three new techniques used by doctors.

When we consider the work on the part of research workers, professional help, materials available for early detection of cancer and endless numbers of volunteer workers, fifteen cents per individual is little enough towards this fund, states the commander.

Signed, Mrs. Emma MacAuley, Commander Crawford County Cancer Fund.

### MAST-NELSON WED IN WHITE CLOUD

Before a candle-lit altar with background of narcissus and snapdragons in the Methodist Church of White Cloud, on Feb. 2 at 8:00 P. M., the marriage of Barbara Mast, daughter of Mr. and Mrs. Guy Mast of that city, and Richard K. Nelson, son of Mr. and Mrs. Earl Nelson of Grayling, was performed.

The bride was attired in a lovely white gown and lace and carried an orchid mounted on a white Bible with flowing streamers of orange blossoms. She was attended by two bridesmaids, her sister, Mrs. Donald Anderson and Miss Jeanne Richards, both of White Cloud. Mrs. Anderson wore a yellow tulle gown and carried a colonial bouquet of carnations. Miss Richards was attired in aqua tulle and carried a similar bouquet. Dwight Reava of Grayling acted as best man and Jack Seator of Mt. Pleasant as usher.

For her daughter's wedding, Mrs. Mast wore a black crepe dress with white lace accessories. Mrs. Nelson was attired in a lilac colored suit with accessories of gray.

Guests from Grayling included Mrs. Matilda Nelson, grandmother of the groom, Master Roger Nelson, Miss Joanne Andrews, Mr. and Mrs. Ed Clarke, Mr. and Mrs. Mike Mathewson, Mr. and Mrs. Herb Wheeler, John E. Felling, Murray Rasmussen and Clare Burns.

Other out of town guests included Mr. and Mrs. Robert E. Nelson of Pomper, brother of the groom and guests from Mt. Pleasant, Fremont and White Cloud.

Approximately one hundred guests attended a reception following the ceremony at the church. The couple left on a short trip to southern Michigan. They will reside in Mt. Pleasant, Mich., where both are attending Central Michigan College of Education.

## Queen's Coronation Climaxes Carnival

With the weather just about as perfect as it could ever hope to be, Major General Ralph A. Loveland, commanding general of the Michigan National Guard, Sunday accepted the crown of Miss Michigan Snow Queen from Yvonne Torke of Saginaw last year's queen, and coronated Miss Beverly Wyckoff, 16, of Roscommon as Michigan's Winter Queen of 1962.

Preceding the event, Gen. Loveland in a short talk recalled the history of the park and the military reservation near Grayling site of the annual National Guard training and maneuver period.

Other speakers were Roy Trudgeon, chairman of the Grayling Winter Sports association, and George Griffith, of Grayling, member of the state conservation commission. Master of ceremonies was Louis Stillwagon, member of the carnival committee.

Following the crowning, three Graylingites, Leo and "Tin" Isenbauer and Hurl Dechow attempted with more or less success to stand on their heads while tobogganing down the park's long slide.

Sunday morning the queens were guests of Grayling's queen, Vivette Isenbauer, and her court and the carnival association at breakfast at Shoppenagons Inn.

A crowd estimated at upwards of 2,500 took advantage of the park's facilities, which were in tip top shape Sunday, to witness the carnival ceremonies.

Queen Beverly, the daughter of Mr. and Mrs. Forest Wyckoff, of Roscommon, is a lovely 5' 11" inches tall, weighs 115 pounds, and is a member of the Roscommon High School band.

She was selected as Roscommon Winter Sports ruler last month, and was crowned Roscommon Queen at the recently staged Pioneer Hills Winter Sports carnival.

The identity of the new Michigan Queen was revealed at 10:30 o'clock Saturday night by George Griffith, of Grayling, a member of the Michigan Conservation commission, at the annual Michigan Winter Queen's ball held at the High School gymnasium.

A capacity crowd of more than 800 persons at the dance cheered the new queen. Griffith took over the duties of introducing the new Michigan Queen and the eight other beautiful contestants after Richard H. Fletcher, Jr., of Bay City, chairman of the conservation commission, was prevented from attending the carnival by illness. Dick Peters, Detroit newspaper man, served as master of ceremonies at the ball.

Attending Queen Beverly Saturday night were the eight other contestants for the Michigan Queen title, who also served as her court of honor at the coronation ceremonies Sunday. They are: Miss Vivette Isenbauer, 17, Grayling's Carnival Hostess Queen; Miss Kirsten Lisberg, 21, of Detroit, Wayne-University Queen; Miss Ellen Huston, 17, of Lewiston, Sheridan Valley Queen; Miss Phyllis Sharrow, 17, Houghton Lake Queen; Jeanne McGinley, 17, of Pontiac, Winter Queen of St. Michael's High School there; Miss Kaye Shearer, 16, Pinconning Queen; Jean Franklin, 16, of Frankenmuth, Saginaw Valley Queen; and Miss Ruth Nash, 19, of East Tawas, Silver Valley Queen.

Also present at the Queen's ball Saturday night was Miss Yvonne Torke, of Saginaw, the 1961 Michigan Queen, who relinquished her diadem to Queen Beverly at the coronation Sunday.

The coronation ceremonies climaxed the two-day carnival program that opened Saturday morning with registration of the Michigan Queen contestants at Shoppenagons Inn. Saturday afternoon the contestants were interviewed

by a judge's panel composed of Griffith, Peters, G. Sheldon Schweinsberg, Bay City contractor; and Ray J. Kuhn, editorial staff member of The Bay City Times.

Carnival officials were hosts to the queen candidates, judges and press and radio representatives at a royal banquet Saturday evening at Shoppenagons Inn.

Principal speakers at the banquet program were Griffith and Robert Dodge, of Roscommon, regional parks supervisor for the conservation department.

A fresh six inch snowfall Saturday, although putting pressure on the park crew brought the park to perfect shape for every type of winter sports on Sunday. Slopes for skiing were fine, the toboggan slides and skating rink were in top condition. Temperatures were just about right, although later Sunday afternoon, the mercury rose just a shade too high.

Alfred J. Sorenson chairmanned the carnival for the second year and turned in a fine job. Assisting him were Dr. J. F. Cook, John Peterson, Charles Piper, Carol Wert, Mrs. Ella Wilcox, Mrs. Mary Welch, Mrs. Barbara Welch, Grover Cason, Les Hunter and Roy Trudgeon, president of the Grayling Winter Sports.

## Red Cross Finishes Disaster Project

### Drive To Start Here March 1st

The national Red Cross faces the heavy spring disaster season with funds sharply depleted by the third costliest disaster operation in its history.

Relief operations for victims of the disastrous midwestern floods of last July cost the Red Cross more than \$13,000,000 and were not wound up until November.

This amount for a single operation was exceeded only by the \$25,000,000 spent on the 1937 Ohio-Mississippi Valley floods and the \$17,000,000 spent for floods in the same river system 10 years earlier.

The amount spent on the 1951 midwestern floods is more than triple the national expenditure on 300 domestic disaster relief operations during the entire previous fiscal year.

The 1952 drive is to start in this County March 1. W. H. Farmer, drive chairman is getting his committees in order and they will be announced next week.

Fire on Sunday evening at a round nine o'clock destroyed the Keith Goward residence at 804 Erie Street. According to Fire Chief Amos Hoessli, the fire was caused by an overheated stove pipe thru a wall. The house which was occupied by the Lawrence Kenyons is a total loss.

Chief Hoessli pointed out that the small fire truck had difficulty in getting to the fire because of the heavy traffic caused by those attending the fire. There was no trouble with the large fire engine as it was already at the scene of the fire when the general alarm was sounded. Chief Hoessli pointed out that it would aid the department greatly if people would stay out of the way so that the firemen and trucks could get to the fire.

MICHIGAN'S NEW QUEEN OF WINTER—In competition with the Northlands fairest beauties Miss Beverly Wyckoff, 16-year-old Roscommon High School Junior, was selected to reign over the state's winter wonderland as Miss Michigan Winter Queen of 1962 at Grayling Saturday. The auburn-haired, 115-pound, Queen Beverly, an adept skier and skater, was crowned Sunday at the Grayling Winter Sports Park as a feature of the Grayling Winter Carnival.

### Fire Destroys Local Residence

Fire on Sunday evening at a round nine o'clock destroyed the Keith Goward residence at 804 Erie Street. According to Fire Chief Amos Hoessli, the fire was caused by an overheated stove pipe thru a wall. The house which was occupied by the Lawrence Kenyons is a total loss.

### Cancer Society Sec'y To Speak

Dr. F. L. Rector, secretary of the Cancer Control Committee of the Michigan State Medical Society, Lansing, will give a talk here Monday evening, February 18, at eight o'clock at the High School. His topic "Early Detection of Cancer" will also be heard by High School students Tuesday morning.

There is to be no charge for Dr. Rector's talk and it is hoped that a large crowd attends.

### 50 M. S. C. Alumni Enjoy Annual Banquet

Close to fifty Michigan State Alumni, their wives and husbands and friends attended the annual regional alumni banquet held at Spike's Keg O' Nails last Thursday evening.

Dr. C. G. Clippert welcomed the group and introduced the toastmaster, Larry Frymire of Station WKAR, East Lansing who rendered an excellent job of introducing the rest of the program. Walter G. Kirkpatrick, director of Antrim county gave a few remarks and club president, V. Spencer of Kalkaska presided at a short business meeting at which the following officers were elected for the ensuing year: Directors, Ray McMullen and Joe Eckels of Otsego county, Quentin R. Ostrand and Vernon Spencer, Kalkaska county, Frank Lyons and Walter Kirkpatrick, Antrim county, John Peterson and Mrs. Robert Strong, Crawford county and director at large, Herb Hutchins of Gaylord.

Of this group Mr. McMullen was elected president, Mr. Peterson, vice president and Mr. Lyons secretary and treasurer.

A talk by Alvie Smith, editor of the College Record was much enjoyed as were movies of the Ohio State vs. M. S. C. 1951 football game and a real entitled "Postmarked East Lansing." Shown by John McGoff of the M. S. C. Alumni office.

## Indies To Meet Saginaw Sat. Nite

Alfred Hanson's Grayling Independents and Bear Archery will meet two teams of the Saginaw Naval Reserve at the Grayling High School Gym this Saturday night. The first game will pit the Archery team against the "B" team of the Saginaw sailors and is slated to start at 7:30 p. m.

Last week, the Grayling Indies had little trouble in downing Roscommon on their own floor 62 to 43. Grayling led at all times and were never threatened by the Roscommon team who used two platoons. Grayling with only six men began to fire towards the end of the contest but the victory was never in doubt.

Grayling rolled up a 12 to 9 lead in the first quarter and increased it to a 32 to 14 lead by halftime. In the third quarter, Roscommon outscored the victors 18 to 16, but Grayling came back to outscore them in the final period, 15 to 13.

Ed Smith with 18 points led Grayling with Ross Thompson adding 15, Corky Gaylord 10, Clyde Anthony 9, Jim Rutledge 6 and Sandy Thompson 4. L. Knapp with 12 points led the Roscommon scoring.

Bear Archery was defeated last week at Hale but traveled to Fairview Saturday night, where they defeated the Fairview five 53 to 47. On Monday night the Archery five team went to Beal City and again were defeated by the close score of 44 to 40.

### Bay City Youth Hospitalized Here

John C. Calvin, 17, of Bay City, is a patient at Mercy Hospital, suffering with injuries received when his car sideswiped a Roscommon County Road Commission truck Saturday evening at around 10 P. M.

The car driven by Calvin was headed west on M-76 two miles west of Roscommon. Apparently Calvin saw the commission truck which was headed east and trying to stop his car it skidded and side swiped the truck, according to Houghton Lake State Police who investigated. The commission truck was driven by Arthur H. Peterson who was apparently unhurt. Calvin received a broken back and possible neck fracture. Two companions who were riding with him, Jack Brenner 16, and Raymond Short, Jr., 18, both of Bay City, were treated at the hospital and released.

No one was held but there is to be further investigation of the accident.

### Kiwanis Club Notes

Hoyt Coe Reid, associate professor of social science from Michigan State College was the speaker Monday evening at the meeting of the Kiwanis Club of Grayling at the Lone Pine Inn.

Prof. Reid, who was introduced by Don Gothro, chose as his subject, Foreign Trade and its Problems. He used graphic slides to accompany his talk on the subject. He pointed out the vast number of raw materials that the United States found it needs to import to maintain our economy. He also described the effect of tariff laws on certain items and how it changed the employment figures and waste in this country. The program was very informative and was enjoyed by the club.

Loren B. Miller, Detroit advocate of reform in state government is a nickname of "Red." It is to his hair.

Miller lived up to his sobriquet a Michigan Press Association luncheon featuring reorganization of state government. But in a different way to this extent: He became once again red-faced when State Treasurer D. Hale Brake stole the under and delivered the best speech of his capital career. Here's the story.

Miller was given the lead-off preceding appearance of constitutional state officials. He headed that the governor should be given more power — authority appoint heads of departments in as civil service, conservation agriculture. Such was the commendation of a joint legislative committee of which Miller is director.

Brake's reply was masterful. He argued in loud and clear and up with a terrific applause in newspaper editors. Declared the:

Civil service in Michigan is guarded from partisan politics through a commission "responsible to nobody but the people of the state." Members, service laws, staggered to prevent domination by any one governor.

The agriculture department now a career director responsible to a commission, appointed the same manner as civil service and hence free from political control by any one governor. This change was brought out primarily the Farm Bureau and Grange the result of farmers' complaints over the constant change directors as governors arrived a left.

The conservation commission had become "advisory" under Miller's plan with the director (Continued on Page 4)

### Woman's Club

Members of the Grayling Women's Club met at the home of Mrs. F. Peterson Monday evening and enjoyed one of the most interesting programs of the year. Mrs. C. E. Reed, associate professor of social science at Michigan State College, spoke on "Prejudice and Racism." He also showed a film, "Races of Mankind" and a film of South Africa. He spoke of the pictures, the people were based on the book, "My Beloved Country" by the short business meeting followed. Club will meet at the home of Mrs. Les Welch for a final meeting on February 25th.

## Supervisors' Proceedings

February Special Session

Meeting of the Board of Supervisors for the County of Crawford held in the Court House in the City of Grayling on the 4th day of February, 1952.

Meeting was called to order by chairman Sydney A. Dyer.

Roll was called by Townships and the City of which the following Supervisors responded:

Beaver Creek Township, supervisor Frank Millikin, present.

Frederic Township, supervisor Ray Murphy, present.

Grayling Township, supervisor John McMillan, present.

Lovells Township, supervisor Wm. T. Miller, present.

Maple Forest Township, supervisor Roy Papenfus, present.

South Branch Township, supervisor Sydney A. Dyer, present.

City of Grayling, supervisor George Burke, present.

City of Grayling, supervisor A. L. Roberts, present.

This meeting is called for the purpose of investigating alleged irregularities and misconduct on the part of Mr. Chester Lozon, chairman of the County Road Commission.

Mr. Chester Lozon was requested to appear before the board.

Mr. C. E. Moore, Prosecuting Attorney was also requested to be present.

There was a general discussion of this matter.

Grayling, Michigan, February 4, 1952.

To the Crawford County Board of Supervisors, Grayling, Michigan.

I understand that certain criticisms have been made in regard to the manner in which I have handled Road Commission matters. I have always tried to use my best judgment in all matters handled by the Road Commission but it appears that no one can be a road commissioner and be free from criticism or unfair charges.

For several years my health has not been good and also I am in no position financially to stand the expense of defending myself properly before your board or any court.

I deny any wrong doing but due to the foregoing facts I herewith submit my resignation to be effective as of February 6, 1952.

Chester Lozon.

Moved by Burke, and supported by Miller that we accept the resignation of Mr. Lozon.

Roll call. All Yeas. Motion carried.

Mr. Roy McEvers appeared before the board.

Mrs. R. Bidvia appeared before the board.

the board in regards to Social Welfare Dept. matters.

Resolution offered by Miller who moves its adoption, supported by Papenfus.

Whereas, the cash of caring for indigent, adult afflicted persons has been and is a great financial burden upon Crawford County and all of the taxpayers thereof, and

Whereas, in order to keep such cost within the financial ability of the county it is absolutely necessary to have full co-operation from the local hospital and from all physicians caring for such cases, and

Whereas, it appears from reports of the Welfare Department that such full co-operation has not been given by one physician.

Now therefore, It is hereby resolved that, in order to protect the tax payers of this County the policy in regard to such case shall hereafter be as follows:

1. Hospital and or medical care shall not be paid for by Crawford County unless the same shall first be approved by the director of the Welfare Department.

2. No case shall be paid for by the County in which the afflicted person shall have funds or other resources from which payment can be made in whole or in part.

3. The County shall not pay hospital or medical costs for care or treatment given to any person during periods when such care or treatment is no longer necessary.

Be It Further Resolved that a copy of this resolution be given to the Welfare Department and the director thereof instructed to enforce the same, and

Be It Further Resolved that a copy of this resolution be mailed to Mercy Hospital and each physician in Crawford County.

Serving folks for almost a century now, we like to think we're pretty good at knowing just what they want and how to please 'em best. But experience and intuition can go just so far.

Sometimes we think we could see a "crystal ball" to find out if customers have "something on their mind" they're not telling us—that we don't know, but should—in order to serve them better.

Have you something on your mind that concerns us? We'd appreciate knowing it—then the crystal ball won't be necessary. Please write:

## Socialism Threatens Free Labor

The New York Times recently carried an article which said that Frank W. Jacobs vice president of the International Brotherhood of Electrical Workers, had repudiated the union's former support of government electric power development, and that the union is definitely shifting in favor of private ownership. Mr. Jacobs declared that the public power program "has been extended step by step to the point of peril to legitimate free enterprise and free labor." He added that the IBEW had learned "through bitter experience" that labor's rights are not protected under socialized power.

A short time ago the Chicago Federation of Labor, which comprises some 500 local unions with a membership of 600,000, repealed one of its constitutional provisions advocating public ownership of power, gas, water, telephone, and local transport facilities. The Federation president said that his organization is for "free enterprise from top to bottom."

In recent years, a number of other unions and individual labor leaders have expressed similar views—and some of them were hot and heavy for public ownership of utilities in prior times. What has happened is that labor is finally understanding that its freedom can be maintained only if free enterprise is maintained. Regardless of all differences between labor and management, the two freedoms are peas from the same pod. When socialism destroys free enterprise, free labor dies with it.

In all the Communist countries, labor has been enslaved—and socialism is but a milder form of Communism. All elements of a nation must be free or none will be free.

named by the governor. Brake best punch line was this:

"Perhaps the difference between Mr. Miller and myself is chiefly this: He has read too darn many books. (Long pause.) I have known too darn many governors. (Laughter.) After all, seven governors have come in since I entered state government and six have gone out. Perhaps the voters will have to decide whether I outlast the seventh."

Can you blame Miller for being a bit red-faced?

He failed to sell his case to newspaper editors, despite a wealth of factual material available from other states where reorganization programs have become a reality.

Miller had 15 minutes; the governor (through a substitute) 15 minutes. Brake spoke 20 minutes, his original five-minute allocation being augmented by co-operating officials.

With the announcement that Lt. Gov. William C. Vandenberg would be gubernatorial candidate, Republican political waters grew roiled within. Getting off on one foot or the other, Vandenberg, in his opening statement, said, "I have no personal fortune to spend in a gubernatorial campaign, but I have never believed that the governorship, Michigan's highest office, was for sale."

Any obvious belt at Aiger's wealth which presumably will not hurt his campaign.

Aiger replied, "I naturally regretted Lt. Gov. Vandenberg's announcement because I hoped that for once we would present a united front to the electorate."

It is his privilege to be a candidate if he so desires."

The way may be opened to ease Michigan's particularly in Detroit—unemployment problem. A new defense mobilization order tells service procurement officers to negotiate military contracts instead of letting them go to the lowest bidder in all cases which affect areas like Detroit which have a acute unemployment.

Among state measures which died a-borning because they were not reported out of committee in time to meet the rule requiring bills to be brought out in 21 days were two fair employment practices bills. Others to die of default would have provided for compulsory vehicle inspection; repealed the "lien law" under which the state can recover from estates of deceased old age assistance recipients a part of the benefits paid; increased old age assistance from \$80 to \$75. All were hot questions.

December was the most disastrous month in history for accidents in Michigan. There were 19,892 accidents, including 3,691 injuries and 120 deaths. The 1951 traffic fatality list had 1,648 persons listed, highest since 1941 when traffic claimed 2,133.

Some 22,000 state civil service employees have received their pay rise. Adjustment was ordered by the civil service commission last December. It gives all classified employees a flat \$5 per month and a 7 percent increase in salary. Overall state pay increases will cost Michigan \$9,443,529 for the year beginning July 1.

The state library has received \$233,326.46 for equipment and books lost in the state office building fire of a year ago. Five insurance companies made the payment.

And it looks as though the new

## Two Grayling Reservists Report For Training

Among the Reservists who reported February 2, 1952, for their first weekend of training at the 2242nd Air Force Reserve Training Center, were Sgt. Ted R. McEvers and Cpl. Richard J. Bielski of Grayling. Assigned to the 929th Reserve Training Wing, they will report to Selfridge Air Force Base one weekend each month for their intensive on-the-job training. For the two day training program, they will receive four days pay and the opportunity to improve their skills, attain promotions and accrue points toward retirement from the Air Force Reserve.

Sgt. McEvers of Route 1, Grayling, is an auto mechanic and is assigned to the Maintenance Squadron, while Cpl. Bielski, a bookkeeper, from 804 Ogden St., Grayling, is assigned to the Headquarters and Headquarters Squadron.

The 929th, Michigan's only Reserve Training Wing, has been organized since September of 1951. Openings are still available in such specialties as Supply, Maintenance, Medical, and Communications. Men with prior service and men without prior service who have not received a 1-A Draft Classification are eligible to join the Wing. There are also many openings for women over 18 in the Reserve Program.

Those interested in joining the Wing can obtain information by calling Mount Clemens 3-0511, Ext. 5238, writing, or going out to see the Personnel Officer of the 2242nd AFRC, Selfridge Air Force Base, Michigan.

## Baseball Players To Get Tryouts

PETOSKEY — Northern Michigan baseball players between the ages of 16 and 21 will have an opportunity here next summer to show their stuff before Scouts from the Chicago Cubs.

Tony Lucadello of the Chicago Cubs minor league system will come to Petoskey July 10 to hold a one day, tryout camp, according to plans announced today by the Petoskey Evening News and the Petoskey Chamber of Commerce.

Construction of a new jailhouse and publication building at M. S. C. has been suggested by a Michigan Press association committee. The matter is under study. The building would be a self-paying project, of course.

Since 1938, Michigan has spent \$161,510 in bounties on wolves. Only 27 were taken last year. A Michigan biologist says this method of stamping out wolves is futile and expensive. The state predator specialist cites the encroachment of civilization as the only factor in reducing the wolf population so low that those states "still with a few wolves are indeed fortunate in having this touch of unspoiled wilderness remaining."

sponsors of the event. Lucadello in a letter confirming the date, gave assurance that "every boy will be given a fair chance to show his ability and, if we have the time, I will be glad to give some free instruction on how to improve ability."

The camp will run from 10 a. m.

until 5 p. m. on the improved ball diamond at the Emmet County Fairgrounds in Petoskey. Players must pay their own expenses to Petoskey and must bring a glove, shoes and, if they have one, a uniform. Local arrangements for the try-

out camp will be handled by Dr. Thomas Tuscott, manager of the Petoskey American Junior American Legion team.

Further details on the tryout camp will be sent to newspapers throughout the Northern Michigan area early in the summer.

Things you'd like to know about your Railroad

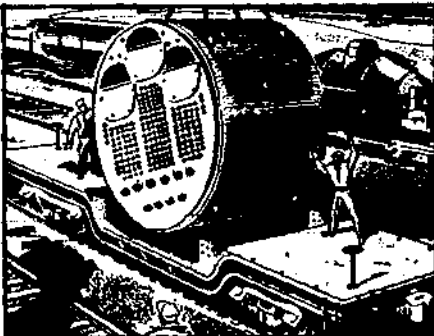

Reading time: 700 tons

1. THAT'S RIGHT! While you are reading this brief advertisement, an average of 700 tons of freight will start moving on New York Central. And those tons add up fast. They total more than fifteen million tons a month. And they travel an average of about 500 miles.

2. 382 TRAINS A DAY move this mountain of freight. Solid, mile-long trains of hopper cars taking coal from mines to Great Lakes docks... or box cars hauling grain from elevators to mills. Mile-a-minute merchandise trains. Mixed freight trains carrying almost everything you buy, sell or use.

3. ANYTHING, ANY TIME! Food for your table or fuel for your furnace... heavy machinery for your factory or tubes for your TV. The mass shipments that big trucks won't touch... the winter freight that frozen waterways can't move. Your Railroad is your ONLY all-purpose, all-year carrier!

4. TRY TO IMAGINE America's huge mass production savings without railroads to move raw materials and deliver finished goods. Of an average dollar you spend, rail freight takes only a few cents... and saves you far more than it costs. Yes, carrying things at a bargain is the CENTRAL idea!

## Departed Draft Chief, Well-Known In Grayling

Col. Glenn B. Arnold, director of Michigan Selective Service, died at his home in Ypsilanti shortly before noon on Tuesday of last week, was a well-known figure in Grayling and had many friends here.

Col. Arnold first came to Grayling in 1915 to attend a summer encampment with the Michigan National Guard prior to the ordering of the Guard to the Mexican border.

Col. Arnold, 60, had spent more than 40 years in military service assigned to Michigan Selective headquarters on March 21, 1942, he became draft director in 1948.

Death followed an illness of three weeks. He had been ill but was reported recovering and his associates said he had planned to return to work Wednesday.

He is survived by his wife, Doris; a son, Seth, 20, and a daughter, Sue, 16.

Born in Ypsilanti, Col. Arnold

was graduated from Ypsilanti High School and studied engineering at the University of Michigan. On his 18th birthday he enlisted in an Ypsilanti National Guard unit and served on the Mexican border before going overseas in World War I.

He was discharged after World War I with the rank of major at the age of 25. In 1922 he returned to active duty with the National Guard and in World War II served with the 32nd Division.

In May of 1951 he retired but continued in a Civil Service capacity as director of Selective Service in Michigan.

A resolution of condolence was adopted unanimously by the House of Representatives at Lansing in the death of Col. Arnold. Gov. Williams paid him high tribute as a public official.

It was announced that Gen. Lewis B. Hershey has named Lt. Col. Arthur A. Kummer as acting director of Selective Service. A permanent appointment will be made soon on recommendation of the Governor.

Funeral services were held for Col. Arnold last Friday at 2 p. m. from the St. Luke Episcopal Church, Ypsilanti. Interment was in the Highland Cemetery. The body lay in state all of Friday morning and until 1 p. m. in the afternoon at the Moore Funeral Home, Ypsilanti.

### As One Of Our Men In Service Sees It

Editor's Note — The following was brought to us by Mrs. A. P. Feldhauser and we believe it is well worth printing. Whether you agree or not with the author, you must admit that the article contains much food for thought.

**The Sword But Not The Pen**  
They have told us for ages that the pen is mightier than the sword. This we can not dispute, yet we wonder sometimes if a man be taught the use of the sword, should he not also be allowed the use of the pen? Should we teach our young men to kill or be killed, and yet deny them the right to mark a ballot?

We are using boys eighteen and nineteen years of age for soldiers.

They are taught to take their place and become integral parts of a great machine, but these boys have no voice in the running or management of this invincible machine. They are being used right this moment for cannon fodder without a word in their own defense.

Many say that a young man under the age of twenty-one is not mentally matured enough to vote in a sensible manner. I do agree that this may be true in some cases, but it can't be denied that there are also some of our elders that don't know what man they are voting for or just what he stands for. They don't vote for the man, but instead the party.

The men who are now protecting this great country are not the boys they were when they left home for what they thought was a grand cause. They are not much worried about their income taxes. Nor are they much concerned about what government regime will pay the best or highest subsidies and support prices. They are concerned primarily with the only importance they have. What they are concerned about is their lives. The main thoughts in their minds is where they will go to die and who will be responsible for sending them there.

Who are we to say that these men are still boys. They who protect our country by carrying the fight to foreign shores to prevent it from defiling our own coastlines. Are we some sort of demagogue that we are able to pronounce judgement upon them?

Then again, if these so called boys are not yet old enough to voice their opinions, then should they be called on in the prime of life to serve this great country.

If they are too young to vote, then they are surely not old enough to die. What kind of a world are we living in, that marks one boy until he is twenty-one, but will let him die at any age?

If only some way could be found so we could eliminate the need to send our young men to war to die. There is evidently none. Why can we not devise some way to let them grow-up and live in peace? But no, we must send

them to battle because we are not mature enough to stop this thing called war. Then, should we not give them a chance to speak in their country's affairs? One thing is almost certain, and that is that they can not make a much bigger mess than their elders already have.

Pfc. James H. Feldhauser, AF 16345340, 3434 Stu. Sqdn. Lowry Air Force Base, Denver.

## Bits O' Talk

Mrs. Marie Hanson returned Saturday after spending six weeks in Cleveland, Ohio visiting her son, Holger Hanson and family. Her son, Waldemar Hanson and family of Saginaw brought her home and spent the week end. She had spent the last week in Saginaw.

Sat., Sun. and Monday, open bowling at Spikes. Get the gang together and come over.

Mrs. G. D. Vallad has returned from a visit with her daughter, Mrs. Seeley Randall and family in Flint and is now visiting her son, Warren and family in Kalkaska. Bill Worden and Bob Rasmussen left for Detroit Tuesday and were to leave from there for Lackland Air Force Base, San Antonio, Texas, Thursday. Mr. and Mrs. Arthur Worden and Bill spent Monday in Kalkaska visiting Mr. and Mrs. Claire Millikin and Mrs. Alice Worden.

Mrs. Dan Hoesli returned home from a visit in Bay City and Grand Rapids last week. In the latter place she went to see her sister, Mrs. Joseph Reiss who was ill in Blodgett Hospital.

Strike! Open bowling at Spike's Recreation Sat., Sun. and Mondays. The Grayling Sportsmen's Club will hold their monthly meeting next Wednesday, February 20 in the Legion Hall Basement. A movie entitled "Hunting in Alaska" will be shown.

Dogs running deer have killed eight deer in the past week, Conservation Officer Clarence Roberts reports. He warned dog owners to tie up their dogs or face the loss of their pets as well as court action.

## HOSPITAL NEWS

Among the patients at Mercy Hospital are James Koernke, Alfred Hanson, Larry Gust, James Lynch, Irene Galvani, Mrs. Marie Jensen, Harry Souders Sr., Mrs. Marie Olson, Mrs. E. Fairbotham, Margaret Weider of Frederic, Ed Verellen, Mrs. Jane Welsh and Mason Aldridge. Those who have been released during the past week are Helen Taylor, Roland Hummel, William Nichols and Wilfred Laurent.

## Lovells Home Extension Club

Members of Lovells Home Extension group met at the home of Mrs. Robert Steckling for an all day session. Mrs. Harold Johnson gave a lesson on meals made easy, as members prepared the luncheon. The luncheon was also enjoyed by Mr. Steckling and Mr. Johnson.

The business meeting was called to order by Mrs. Steckling. Seven members answered roll call. Reading of letters from absent members gave us news of them and also showed they are interested in the new projects for the ensuing year.

A party for our 4-H group will be held March 8 at Mrs. Robert Steckling's, from 1:30 to 5:00. Members are to receive prizes for their year books.

Report on council meeting of group leaders held at City Hall, February 5th, was given by Mrs. Harold Johnson and was of much interest to the members. National Home Demonstration week is to be April 28 to May 3.

The next meeting of the group will be March 26, the place to be named later. The lesson is to be on group life insurance. Roll call, one away to spend a cozy winter evening.

Mrs. C. A. Doroh, Reporter.

## COUNTY NEWS

Guests of Mrs. Payne for the week end were her daughter, Gretchen of Bay City, Edith of Flint, Miss Virginia Ples of Flint and Bill Welsh of Dearborn.

The weather is ideal at Frederic, not much news, only a few minor items as follows: Lydon fell off the wagon, and Jack Jr., being nervous over the sudden disappearance of a "Red Hot" Wednesday night, smoked too many short butts and burned his long chin whiskers.

Many Frederic residents enjoyed reading the 46 Years Ago news concerning the American House last week. The house was built some 50 years ago by John Tallman who sold the same to Pete Johnson, Lefty and Pete's father, who sold to Theodore Genrund and was later sold to Pat Burke who was running it when it burned. Fire was discovered by Henry Higgins who was working on the railroad at the time.

Kinney Bindschattel and wife, also Lowell Bindschattel from Cornum are visiting relatives and friends in Frederic. George is also home from Flint.

The Herbert Neugent family spent several days visiting relatives and friends in Saginaw and Detroit. Herb gained 10 pounds. He says all those people want to do is eat.

The Otsego and Crawford Table Toppers Congress are sponsoring a dance Tuesday, February 26 at the Snow Valley Ski Club. The entire proceeds will be used for the purchase of an iron lung. Refreshments and entertainment will be enjoyed, so let's all attend.

The Shuffleboard teams were all busy Friday night. Barney's took 8 games from Top of Michigan. Hinkle's lost 3-6 from Marys at Gaylord, and Papa Joe's won over Darcey's 7-2.

Stubbie Burke of Gaylord is visiting friends in Frederic.

After our heavy snow fall Sunday night, the hay bought by the Owadoc Dog and Gun Club for our deer around Frederic, was checked, it is still available for them and they are still eating it.

Cleo and Cora Hinkle visited the Ray Horners at their Manatee cabin Monday, having to snowshoe in.

Week end company of the Charles and Al Madilla were their sister and husband, Henry Shawl and

wife, their daughter, Jane, who is stewardess on an air line between New York and Kansas City and is now having her vacation, also Mary Ellen Madilla, all from Flint. Alfred Armstrong, Sr. is on the sick list. Hurry and get well, Al.

## Lovells News

Joe Gardopce returned home from Flint this last week end. Cheerful Givers Club met with Mrs. Ethel Morris last Wednesday evening with six members present. Birthday, greetings and gifts were extended to Mrs. Louise Haefka. A nice potluck lunch was served. We have received our new cook books and several were given out to the different members for sale. The books are very nice, very complete and are on sale for \$1 each and can be purchased from any of the club members. The next meeting will be an afternoon meeting February 20th with Mrs. C. Stillwagon. Members are requested to bring work to be made for the summer bazaar.

We were glad to have Rev. Cleveland and wife back with us this Sunday. He reported his father's health condition some better, but will still be in the hospital for some time yet.

The Home Extension group met with Harriet Steckling Friday noon.

A number still ill with bad colds and confined to their homes.

Mrs. Paul Loeffler is an added patient on the sick list.

Word has been received from Mr. and Mrs. B. C. Gilbert that they are located in Largo, Florida. Thus far the weather has been not so good with cold rains.

The 500 party Saturday night was not so large an attendance as the weather was very bad. Those there had a nice time together.

Tom Morris and Maude Carroll won first prizes and Roy Scott and Ethel Morris the consolation prizes.

Mr. and Mrs. Hartman were host and hostess. All are invited to join in the evenings entertainment. All enjoy the potluck lunch together.

Happy birthday is extended to the twins, Gale and Dale Gauthier whose birthday was Sunday, February 10th.

It is with sad regret that we inform all of our Lovells friends of the passing away of James (Dad) McCann on February 2, 1952. He had hunted and fished in Lovells for 23 years and had been a summer resident for the last five years at Riverdale at the Twin Bridges. He is the father of Howard McCann.

## Maple Forest

The Home Extension Club met at the home of Mrs. Dale Redman on Tuesday for an all day meeting. The ladies presented the lessons on "Meals Made Easy" and prepared a noon luncheon which was enjoyed by all the members. Plans were made for the Pancake Supper to be held on Saturday, February 23rd. The next meeting will be held at Mrs. Pearl Babbitts on February 19.

Several members of the Dairywomen's Producers Association were guests of Les Hunter at the Kiwanis Club in Grayling last Monday night.

Mrs. Christine Feldhauser was a week end guest of the Rudolph Feldhausers at Hi-Banks near Lovells.

Miss Joan Reynolds of Midland and Dwight Reava of Mt. Pleasant spent the week end at the home of the latter's parents, Mr. and Mrs. Roy Johnston.

The Pie Social sponsored by the Farm Bureau for the benefit of the Polio Drive, Saturday night drew a fair crowd and netted a good sum for the fund. The door prize, a 2 year family polio policy, was won by Mrs. Ted Baynham. Miss Becky Hamblin won first prize in the "Cootie" game. Cards and Carrom were also enjoyed by some before the pies were auctioned.

Roy Papenfus went to Bay City on Tuesday and Mrs. Papenfus spent the day in West Branch visiting at the Robert Papenfus home.

Over 60 people of the Goodfellowship class and their families from Frederic Bible Church enjoyed a chicken dinner at the Maple Forest Town Hall, Friday evening.

The Dairywomen's Producers Association held a meeting at the Town Hall on Friday afternoon. Ideas for promoting the sale of our milk were the chief topic brought forth.

Rollie Hummel is home from the hospital, recovering from pneumonia.

The T. N. T. Club invites you to come and join them Saturday night, February 16th for an evening of square and round dancing. Potluck lunch.
